ANNUAL REPORT

OF THE

ELECTION DEPARTMENT

FOR THE YEAR 1935.

Boston, January 30, 1936.

Hon. Frederick W. Mansfield,
Mayor of the City of Boston.

Sir,— In compliance with section 24, chapter 3 of the Revised Ordinances, the Board of Election Commissioners respectfully submits its annual report.

Registration.

Registration was held for one day on April 8 in the central office. Registration at the central office was re-opened on June 3 and was continued each day thereafter (Sundays and holidays excepted) up to and including October 16. Registration in wards was held on October 2, 3, 4, 5, 7, 8, 9, 10, 11, 14, 15 and 16, from 6 p. m. to 10 p. m. for the city election. This registration was held in two places in different sections of each ward, six nights at each place. Registration was again opened at the central office on November 18 and was held on each succeeding Monday up to and including December 30.

Number of Voters.

At the state election held on November 6, 1934, the number of male and female voters on the list was 319,715. The number of such voters in the first list published by the Board August 13, 1935, was 287,319. From the

opening date of registration, April 8, to its close on October 16, there were added the names of 18,081 voters. The number of voters on the final list sent to the polls on the day of the city election, held November 5, 1935, was 305,400, a decrease of 14,315 from the number of voters on the list at the preceding state election. The number of voters on the final list December 31, 1935, was 305,657.

NOMINATION PAPERS AND REFERENDUM PETITIONS.

The Board received 3,720 nomination papers for the city election on which 117,684 names were certified; and 331 referendum petitions on which 7,507 names were certified; and 30 petitions for recount of ballots cast on which 1,400 names were certified. This makes a total of 4,081 papers on which the names of 126,591 voters were certified.

REVISION OF THE VOTING LIST.

The names of 3,513 voters were stricken from the voting list by reason of death, removal from the city, and other causes. There were two complaints of illegal registration.

JURORS.

In accordance with chapter 234 of the General Laws as amended by chapter 311 of the Acts of 1924, the Election Commissioners prepare a list of the inhabitants of Boston liable to serve as jurors. The Board has established a system by which each person provisionally selected for jury duty appears at this office to fill out a questionnaire, making oath to the statements contained therein before a member of the Board. This gives the Board an opportunity to meet each individual and note his physical defects, if any, or any disability that would render him incapable of performing the service that would be required of him as a juror. These personal examinations also enable the Board to know the educational qualifications of each prospective juror. The members of the Board make an impartial selection from all parts of the city of men of various occupations and are of the opinion that the persons finally selected represent an average cross-section of our citizenry. The Jury List prepared by the Board in 1935 contained the

names of 11,423 voters of Boston. During the time covered by this report, 2,159 persons were drawn for jury service.

Decennial Census.

The Honorable David B. Shaw, Chairman of the Board of Election Commissioners, was appointed by his Honor the Mayor to have full charge of the taking up of the Decennial Census of the City of Boston for the year 1935. We are setting forth in the body of this report the figures returned by such census, according to the wards of the city.

Changes in Office Set–Up.

The creation of a sharp differentiation in the office between the secretarial force and the force that takes care of the routine work of the department has resulted not only in greater efficiency in the internal set-up of the office but also in its relations with the public Not only do we find that such tasks as the preparation of the Jury List and the setting up of the Voting List progress more smoothly than in the past, despite the fact that the office is at present undermanned, but we also find that the coordination of the secretarial forces has made it possible for us to be more fully prepared now to meet the demands of the public for information than has ever been the case heretofore. We realize, however, that if we are to continue to increase the efficiency of the office to the highest possible point we must increase the present number of Assistant Registrars. While the volume of work handled by the department has grown tremendously and while vacancies in the ranks of Assistant Registrars have been created by deaths and retirements, no appointments to fill such vacancies have been made for several years past. We believe that at the present time such appointments become imperative.

The actual physical changes which have been wrought in the department must also be taken into consideration. The increase of available facilities for the registration of voters has worked to the advantage both of the men employed in registering and of the prospective voters who come here. To those persons who find it necessary to appear before the Board in one capacity or another the enlargement of the Board room in which hearings are held has been a distinct boom.

We believe that nothing has been left undone that was physically possible for us to do during the past year which would have increased the efficiency of the office or which would have enabled us to render more complete service to the public.

MEMBERSHIP OF THE BOARD.

The term of Charles T. Harding, Esq., expired March 31, 1935. Frederic E. Dowling, Esq., was appointed to succeed him for the term of four years, ending March 31, 1939. He assumed the duties of his office on April 1, 1935.

Honorable Peter F. Tague resigned as an Election Commissioner, his service terminating on October 15, 1935. Francis B. McKinney, Esq., was appointed his successor for the term ending March 31, 1936. He assumed the duties of his office on October 16, 1935.

Honorable David B. Shaw was designated by the Mayor as Chairman of the Board of Election Commissioners and Daniel H. Rose, Esq., as a member of the Listing Board.

EXPENSES OF THE ELECTION DEPARTMENT.

The expenses of the Election Department for the year ending December 31, 1935, amounted to $213,950.12.

Respectfully,

DAVID B. SHAW,
DANIEL H. ROSE,
FREDERIC E. DOWLING,
FRANCIS B. MCKINNEY,
